Fixing Annoyances: Stop Windows from Copying Files Accidentally When ...

Synopsis: The Get a Mac advertisements follow a standard template. They open to a plain white background, and a man dressed in casual clothes introduces himself as an Apple Macintosh computer ("Hello, I'm a Mac."), while a man in a more formal suit-and-tie combination introduces himself as a Microsoft Windows personal computer ("And I'm a PC."). The two then act out a brief vignette, in which ...
