However, the informed Muslim can easily speak on Islam and the environment for a number of reasons.

First of all, Islam is described in the Qur'an as the religion of nature. God declares: "Therefore, orient yourself, with all due sincerity and uprightness towards the natural religion; this is consistent with

consumption in islam, then, rests on three pillars. First, what is consumed must be lawful and wholesome. Second, one must give the poor their share in one's wealth; money and good remain "impure" until what is owed upon them as zakat is paid. Finally, one is not permitted to be wasteful with one's goods.
