## **Welcome to Maps4me • GPS maps for Magellan**

The Triton series GPS units tend to function like pro units and usability can be complicated, although the 1500 is pro and the better of the series. The 2000 is only an upgrade if your looking for a camera, all other features are pretty much the same as the 1500. I started on the Triton 300, and then upgraded to the 1500.
