The platform of the Republican Party of the United States is generally based on American conservatism, contrasting with the modern liberalism of the Democratic Party. The positions of the Republican Party have evolved over time. Currently, the party's fiscal conservatism includes support for lower taxes, free market capitalism, deregulation of corporations, and restrictions on labor unions.

Displacing redistribution . Let us consider first the ways in which identity politics tend to displace struggles for redistribution. Largely silent on the subject of economic inequality, the identity model treats misrecognition as a free-standing cultural harm: many of its proponents simply ignore distributive injustice altogether and focus exclusively on efforts to change culture; others, in ...
