The Corporation: The Rise and Fall of America's Cuban ...

Chapter 1, "The Corporation's Rise to Dominance," outlines the history and growth of corporations in Western society, especially in the United States, where corporate activity is at first given free rein. During the Great Depression—widely blamed on corporate misbehavior—much of that power is clawed back by the government.

The Corporation Summary and Study Guide | SuperSummary

Over the last 150 years the corporation has risen from relative obscurity to become the world's dominant economic institution. Eminent Canadian law professor and legal theorist Joel Bakan contends that today's corporation is a pathological institution, a dangerous possessor of the great power it wields over people and societies.

The Corporation: The Pathological Pursuit of Profit and ...

From early on in the 20th century, corporations controlled most of the nation's economic assets and employed the bulk of the labor force. By 1930, a mere 200 corporations controlled half of the...

Column: The rise and fall of the U.S. corporation | PBS ...

The Rise of Corporations: One of the leading causes of the shift of American values and the destruction of the American dream was the rise of corporations. Americans had found themselves to be at odds as they grew in "awe, admiration, and hostility" of these new factions of the political and economic realms of society.

The Corporation - Feature, Documentary - YouTube

The Corporation is a 2003 Canadian documentary film written by University of British Columbia law professor Joel Bakan, and directed by Mark Achbar and Jennifer Abbott. The documentary examines the modern-day corporation. Bakan wrote the book, The Corporation: The Pathological Pursuit of Profit and Power, during the filming of the documentary. A sequel film, The New Corporation: The ...

The Corporation (2003 film) - Wikipedia

The Corporation charts the spectacular rise of an institution aimed at achieving specific economic goals as it also recounts victories against this apparently invincible force. Case studies, anecdotes and true confessions reveal behind-the-scenes tensions and influences in several corporate and anti-corporate dramas.

Synopsis | The Corporation

Beginning with its origins in the sixteenth century, Bakan traces the corporation's rise to dominance. In what Simon and Schuster describes as "the most revolutionary assessment of the corporation since Peter Drucker's early works", The Corporation makes the following claims:

The book | The Corporation

The corporation evolved into another body: the modern limited liability corporation. This is an altogether different animal. Chapter 3 is coming at us. It is the era of the "Singularity" corporation. That is the style crafted in East Asia. The corporation is an ownership collective - a singular collective.

A Brief History of the Corporation: 1600 to 2100

The inspiration for the film that won the 2004 Sundance Film Festival Audience Award for Best Documentary, The Corporation contends that the corporation is created by law to function much like a psychopathic personality, whose destructive behavior, if unchecked, leads to scandal and ruin.

The Corporation: The Pathological Pursuit of Profit and ...

The Rise of the Corporation Corporations, as we tend to think of them, have been around for a few centuries, the earliest of which were chartered around the sixteenth century in places like England, Holland etc. Technically speaking, a corporation is what Robbins describes as a social invention of the state (Robbins: p.98).
