The Less You Know, the Better is the fourth studio album by American hip hop producer DJ Shadow, released on September 30, 2011 by Island Records. As with his previous efforts, it relies extensively on samples, which span different genres and time periods. The album sees Shadow exploring many genres and production styles, from fast-paced tracks prominently featuring guitars and scratching to slow tracks featuring pianos. Contributions came from a wide range of artists, including Talib Kweli, Afr

### The Less You Know, the Better - Wikipedia

This is where the phrase, "The more you learn the less you know" is applied. The best, and only way to truly understand this phrase, is if you first decide that you want an education, not for the sole purpose getting a job, but for the purpose of improving yourself as a person. Nowadays people are too focused on what grade they got on that test or in that class.

### The More You Learn, The Less You Know

“The Less I Know the Better” describes the pain of a man feeling left out in a love triangle, illustrated with a complex arrangement of groovy bass hooks, sensual Rhodes piano chords, and moody...

### “The more I learn, the more I realize how much I don’t know.”

The Less You Know, the Better You Sleep is a dark book, and for those raised in the West, a confounding one. How can a government be organized along the lines of such criminality? We Westerners, with our ideals of individual rights and good government have difficulty wrapping our minds around the kinds of things Satter reports.

### The Less You Know – Inspired musings about how little I know

Similar words are attributed to David T. Freeman: “The more you know, the more you realize how much you don’t know — the less you know, the more you think you know.” It became a meme for when someone says something educational, typically used as a sarcastic response when someone mentions a fact that the other person considers trivial or unimportant.

Image by DariuszSankowski — Pixabay.com “Real knowledge is to know the extent of one’s ignorance” (Confucius). As bizarre as it sounds, the more we understand and involve ourselves in an activity, the less confident about it we become.. The logic behind this is that without a full understanding of something, what we believe we understand may distort us into thinking highly of our own ...

### The More You Know, The Less Confident You’ll Be | by Ethan ...

Aristotle famously wrote, “The more you know, the more you realize you don’t know.” In the image above, you can see the effect this has on confidence as one’s experience grows. Initially, your confidence is low since you know you’re inexperienced. However, after a short while, you start to “get it”, and you get into a comfort zone.
